About the Summit

The 2026 State of the Black Health Summit: According to the Black Nurse, hosted by the Black Nurse Collaborative (BNC), will convene nurses, healthcare leaders, policymakers, and community advocates to advance health equity, professional growth, and systemic change in healthcare. This event will serve as a catalyst for collaboration, education, and advocacy—empowering Black nurses to lead transformative conversations and drive measurable impact in health justice.

Why Support BNC?

Investing in the Black Nurse Collaborative, Inc means you are supporting an organization that is actively transforming the nursing profession and championing health justice across communities.

Our impact in action:

Since our founding, the PNC has awarded over \$15,000 and scholarships to aspiring black nurses and healthcare, professional professionals, directly removing financial barriers and expanding diversity in the nursing workforce. Each scholarship recipient represents not just an individual achievement, but a ripple effect of improved health outcomes and underserved communities.

What your sponsorship supports?

Professional development: Providing webinars, mentorship programs, and career advancement resources that equip black nurses to excel and lead in their field.

Community Building: Creating intentional networks that foster connection, support, and collective uplift among Black nurses nationwide.

The Broader Vision:

Your partnership helps us build a healthcare system that reflects a diversity of communities we serve. Black Nurses, brain, political, cultural confidence, lived experience, and unique perspectives that improve patient outcomes, diversity, equity, and inclusion in healthcare, Community health and wellness, health, justice, and systemic change.

Join us in empowering black nurses to thrive, lead, and transform healthcare for generations to come. Together, we build a healthier, more equitable future!
